

Commitment Form

Validating the Vision

Commission on Secondary Schools
Middle States Association of Colleges and Schools

By choosing *VTV (Validating the Vision)* as its accreditation protocol, a school makes several commitments:

- 1) It commits to decision-making and direction-setting that is mission-shaped and mission-driven.
- 2) It commits to systematic school planning in a strategic context.
- 3) It commits to continuous growth in student achievement.
- 4) It commits to broad involvement of constituents throughout the process.
- 5) It commits to compliance with Middle States Standards.

In signing this form, representatives of the Board, the Diocesan school organization, and specific school level endorse the above five commitments, demonstrating that all levels of the organization expect to work together toward the implementation of the *Validating the Vision* plans.
